TABLE OF CONTENTS

April 29, 1984, a tornado struck Mannford. Many homes were destroyed, along with the elementary and high schools. Many things were destroyed, fortunately only one life was lost. Not long after, the rebuilding started.

When school started on September 17th the elementary and high school buildings were still under construction. Students and faculty had to put up with many unusual circumstances during the year. But, we all stuck with it. Now we have a new school and we hope a better one.

1985 VALEDICTORIANS AND SALUTATORIAN

Brian Hightower, son of Robert and Karen Hightower, was co-valedictorian of the 1985 class.

Kristy Pierce, Daughter of Dean and Kathy Pierce, was co-valedictorian of the 1985 class.

Dr. Vernon Liles spoke at baccalaureate for the Class of 1985 on Sunday, June 2.

Brad Beaird, son of Randy and Martha Beaird was salutatorian of the 1985 class.

Frosty Troy, editor of the Oklahoma Observer spoke at graduation on Thursday, June 6.

Debbie Wayland and Susan Jones: Co-Editors of the yearbook

The 1985 Yearbook Staff would like to dedicate the '85 yearbook to: Loren Athens and Larry Bowers

Do not stand at my grave and weep;
I am not there; I do not sleep.
I am a thousand winds that blow;
I am the diamond glints on snow;
I am the sunlight on ripened grain;
I am the gentle autumn rain.
When you awaken in the morning's hush,
I am the swift uplighting rush
Of quiet birds in circled flight.
I am the soft star that shines at night.
Do not stand at my grave and cry;
I am not there; I did not die.

Let The Games Begin

The 1984 Olympics, held in Los Angeles, California was a spectacular show of sportsmanship. Athletes from many countries attended the Olympics with the same goal in mind, striving for the gold.

48 years ago Jessie Owens burned up the track winning gold medals in the 100m, the 200m, the long jump, and the 400m relay. This year Carl Lewis was favored to take the gold in these same four events. He did just that, by breaking old records and setting new ones.

With such fine athletes such as Carl Lewis, Mary Lou Retton, Waymond Tisdall, the teamwork of Men's Gymnastic, Women's Volleyball, and Men and Women's Basketball, we can only be proud of the past and look forward to the future.

THE ELECTION OF '85

Ronald Reagan rose to his greatest challenge by doing well in his debate. President Reagan took the spot of presidency for his second consecutive term, along with 15 other past presidents. Since Ronald Reagan can't run for the presidency anymore, Mondale believes he has a good chance at winning the presidency in 1988.

COMES ALIVE

Walter Mondale and his partner, the first woman running for Vice President, Geraldine Ferraro accepted defeat, but they both did a great job throughout their campaign. Mondale was very courageous throughout his debate with Reagan.

State Farners-Mr. Lance, Tony Weldon, Jackie Klintworth, Sara Huckaby, Noel Mock, Jimmy Welch

This year was busy with many activities. Starting the year with famous "Greenhand Initiation Week". The tinhorns were having a great time trying to hide from upperclassmen.

Still the FFA had its serious side, attending leadership activities, motivational conferences and the state convention. Many people in FFA learned a great lesson when they were unable to show their animals at the proper time due to an outbreak of Phseudo Rabies.

We are very proud of our FFA Chapter and what it has done for all the students who have strived to acomplish something out of their years of learning.

The 1984-85 Student Council members were active this year. They sponsored many activity days, Some, for example, were Hawiian, College sweatshirt, hat & shades, Nifty Fifties, and Western days.

A very popular event this year was Saddy Hawkins day, when all the Student Council girls made a basket lunch to be raffled off.

The Student Council not only worked together at school but had fun together in their free time at their Halloween party and the end of the year party.

The number one activity for Student Council to sponsor were the school dances.

At the end of the year Student Council usually buys something for the school. This year, since it was the new school, we bought benches and shrubs for around campus.
